

## Bond Sales for July Over Halfway Mark

### C. R. Burrow Has Been in Business Here 43 Years

C. R. BURROW

Yesterday was the birthday of C. R. Burrow. He was 43 years old. (Maybe a little older—but not much).

On July 15, 1899, Mr. Burrow arrived in Canyon to make his home, and has been in business here ever since. He is the senior business man of Randall county due to his continued services in one line of business throughout these 43 years.

Mr. Burrow is owner of the Burrow Lumber Co. He was president of the Texas Lumbermen's Association last year, which was the most successful year the organization has ever had. Mr. Burrow was mayor of Canyon for several years, and has served on many local organizations.

### No Rallies Have Been Held During Present Campaign

For the first time in a score of years there will be no political rallies in Randall county this year.

There has not been a single box supper or pie supper in the county during this campaign, and none are in prospect.

The News has staged a political rally in Canyon during the week before the primary election in past years. But this is out for 1942. The candidates, few in number, said they did not want a rally.

There has not been a single political speech in Canyon this year.

Jas. V. Allred, Dan Moody and a few candidates for state offices have visited here for a short time—but none made speeches.

County candidates are having an easy job this year. With only one county-wide and just one precinct contest, the balance of the candidates are taking the primary in easy strides.

Voters are urged not to let down in their interest in the primary simply because the political pot is not boiling over this year. Harvest will be over in a few days, and all farmers will be free to take time off and go to the polls on July 25.

### Car Stamps Are Fifty Percent Under Last Sale

A large number of automobiles and trucks are either off the highways of Randall county, or their owners are running the risk of stiff federal fines.

Only 1,000 federal car stamps have been sold for the new fiscal year starting July 1. This is 50% less than the number of stamps sold early in the year.

Stamps are on sale only at the post office and owners of cars should get their stamps at once instead of running the risk of arrest and punishment.

### More Contributions to Cemetery Fund

More contributions were made this week to the Cemetery Association. Those making contributions were Mrs. Arlin Rose Ogden of Williams, Arizona, \$5, and R. E. Baird, \$10.00.

### MARRIAGE LICENSE

Ray Jowiers Crittenden, Jr., and Dorothy Ruth Archibald, July 9.  
William L. Wood and Ruby Glenn Walters, July 9.  
John Kahmann and Miss Anna Larkum, July 10.  
Thomas Marion Tull and Miss May Imogene Beesley, July 11.  
Do your Shopping in Canyon!

## New Rule For Army Selectees

### Men May Come Home For 14 Days After Medical Exams—More Calls Made

A group of Randall County Selectees will go to Lubbock Saturday for their physical examination. A new rule is now in effect regarding the induction of selectees. If accepted for service in the army, these men may return home for 14 days in order to wind up their affairs before being sent to the reception center at Fort Sill. The men will be sworn into service at Lubbock and to all intent and purposes they are in the army, but not in uniform.

However, the furlough is not compulsory and any man wishing to go to go on into service has that privilege.

The first call for 1-B men has been received. This is the class which has been rejected as 1-A men, yet whose physical defects are not so pronounced as to make them unfit for certain types of service. They will be used in non-combatant jobs, of which there are thousands in the army. It is expected that many such men will be called into service in the near future in order to relieve physically fit men for active military service. Two men in 1-B class will be sent to Lubbock on Aug. 1.

The largest call for men in several months has been received for August 17 when 24 men will be sent to Lubbock for their physical examination.

### Housing Problem Still Acute As More Folks Come

The demand for more houses and apartments in Canyon is acute. T. V. Reeves desires all people in Canyon who can set aside part of their homes for apartments to call him at the city hall at once.

Canyon has gained many new citizens during the past month. Workers in the war plants at Amarillo are moving here because they cannot secure homes in Amarillo. Mr. Reeves states that several citizens have opened their homes during the past week and he has been able to place families in these apartments.

Various workers in the Amarillo plants who have moved here say that 100 or more families would move to Canyon at once if apartments were available. One group of 25 families want to come to Canyon—but so far have been unable to locate houses.

The Baltimore Hotel building is for rent if some citizen would take it over and operate it. It is believed that 20 or more families could be located there comfortably and would pay good rent. This is a good lead for some citizen wishing to help in a great emergency.

### FISHING WAS GOOD

Dr. Harry A. Brown, Dr. M. A. Biggers and Oscar Gano returned Sunday evening from a ten-day fishing trip to Creede, Colo. They reported a fine catch, but it was a little warm in the daytime and chilly at night.

Donnell Foster of Dumas spent the week end with his parents, Mr. and Mrs. R. E. Foster.

# Harvest Is Nearing Close

## Honor The Boys Who Are Fighting For Us. . .

Every citizen of Randall county may have a distinct part in this war by buying extra War Bonds and Stamps on American Heroes Day. The boys are giving their ALL in this war. We are asked to INVEST only a small part of our earning. Let's make it 10% or more for Bonds to whip Hitler and the Japs.

## America Will Stop to Honor War Heroes

### Buying Bonds Is Part of Every Citizen in Helping Whip Axis in the War

The people of Randall county are called upon to honor on July 17 the 300 men from this county who are in the armed services.

The day has been designated as American Hero Day and every American should consider the millions of our young men who are defending this nation against foes who would enslave this nation.

Some of our young men are prisoners of the Japs.

Some may have paid the supreme sacrifice.

Some may be badly wounded and wondering why we have not come to their aid.

Some may be wondering why America has failed to furnish them the proper guns, ammunition, ships and planes that they may finish the war and be able to return to their homes and live normal lives.

Every young man is entitled to a job, to the protection of their home

(Continued on last page)

## WT Will Hold Service Sunday

### Commencement Sermon Will Be Held Sunday at the Administration Auditorium

The baccalaureate service for the entire Summer Session will be held in the main auditorium next Sunday morning, July 19, at 11 o'clock. All seniors finishing either at the end of the current 9-week term or on September 5 at the end of the 6-week term may participate in this service and at the commencement exercise on July 25.

Dr. Umphrey Lee, president of Southern Methodist University will be the baccalaureate speaker and Dr. Robert L. Sutherland of Austin, director of the Hogg Foundation, will speak at commencement. Each is an outstanding speaker and thinker.

A double quartet directed by Prof. Wallace R. Clark will provide special music Sunday morning, singing Gounod's "Praise Ye the Father."

In a change of program, West Texas State has announced that registration for the second, 6-week term will be held on Tuesday, July 28. Enrollment will be confined to

(Continued on last page)

## Whipple Joins Air Corps In Spite of Poor Vision

A medal should be given Kenneth N. Whipple for his perseverance in getting into the air corps.

Whipple lives in the north part of the county and decided several months ago that he wanted to be a pilot in Uncle Sam's air corps.

He took the physical examination and was rejected because of his vision.

He heard that the Canadian Air Corps was not so particular as Uncle Sam and made application for enlistment.

While his papers were being made out, Whipple was not idle. He started taking private instruction, and has spent \$600 of his own money taking aviation lessons at the Amarillo field.

Last week he went to Lubbock for the physical examination for the Air Corps. He passed the examinations, was immediately inducted and is now in the flying school in Amarillo. Perhaps no other man in Randall county has spent as much of his own money fitting himself to make the air corps, and certainly no other man was as happy as Kenneth Whipple when he reported to the local Selective Service board that he had been accepted.

Uncle Sam is looking for thousands of young men with the same determination as Whipple.

## Wheat Harvest Is Nearly Over

### Fine Wheat Crops Harvested With Grand Weather; Farmers Ready for Moisture

Harvest is practically over in Randall county. Only a few farmers have not finished up their wheat, and only a few others have barley and oats to harvest.

This has been a most successful harvest so far as weather is concerned. Practically no rain fell in Randall county from the time harvest started until the last round was made of the combines. The few light rains had little wind, and only a few acres of wheat were lost by hail.

As a result of this perfect harvest weather it is believed that this was the most economical harvest Randall county has enjoyed in 10 years. Last year was the most expensive harvest the county ever had, and much wheat was lost because of the continued rains and the high weeds.

How much wheat has been harvested will be hard to estimate until farmers get their storage ready for warehouse receipts. Only 110 loans have been made so far through the office of County Agent W. H. Upchurch.

Since the major part of the wheat will be farm stored this year, farmers must wait 30 days before inspections may start. After the inspection it will take several days more for the tests to be made and reports completed for the farmers to secure the loan on their wheat. So far about 300 farmers have reported wheat in the bins ready for inspection at the end of the 30 day period. Farmers are still building granaries to take care of the wheat.

It has been necessary for many to pile a large part of the crop on the ground until storage space could be secured. Those with wheat on the ground are hoping that the rains will be light until this wheat is under cover.

Only .10 of an inch of rain fell in Canyon Friday. Some parts of the county received more rain, but there has been no general rain over the county since harvest started. Only a small acreage of row crop has been planted, and the majority of farmers are now hoping that good rains will fall at once. There was considerable amount of feed carried over from last year, but on the whole the prospects for a grain crop are mighty poor.

## Rubber Campaign Ended With Big Supply Salvage

The rubber campaign came to a close Friday. The campaign was considered a great success with practically 90,000 pounds of rubber collected.

This campaign is the beginning of a general salvage campaign in which all citizens will be called upon to turn in everything of value for war materials. Announcement of the new campaign will be made in a short time.

James Hancock went to California yesterday to work in the General Motors plant where he was employed before returning home on account of illness.

## News Visitor In Many Homes For This Week

Many people are reading The Canyon News this week who are not regular subscribers. We hope that you will like the newspaper and will see fit to become regular subscribers. The subscription rate of The News is \$1.50 per year in Randall and adjoining counties.

This edition is sent to all citizens in order that you may become better acquainted with the candidates and the business firms of Canyon. You will find messages from many candidates. They invite you to take an interest in their campaigns and to vote on July 25.

Newcomers in Canyon and Randall county will find messages from the business firms of Canyon. You will find that Canyon is a friendly place in which to trade and that bargains are always available in these well-stocked business houses.

The News was selected as the most outstanding weekly newspaper in Texas for 1942. We hope that you will keep up with Randall county affairs by reading The News regularly.

## Mrs. Albert Brown Died This Morning Funeral Friday

Mrs. Albert Brown died this morning at 5:30 o'clock at an Amarillo hospital where she has been under treatment for several weeks. The body is at the Griggs-Thompson Funeral Home.

The funeral will be held Friday afternoon at 3 o'clock at the Baptist Church.

Mrs. Brown was the wife of Albert Brown, prominent dairyman. She is survived by two daughters, Bonita and Alberta. Mrs. Brown is the daughter of Mr. and Mrs. E. I. Boyce of this city.

## Leg of J. M. Kiker Is Amputated

J. M. Kiker had his left leg amputated between the knee and hip Monday in the Scott and White Hospital at Temple. Mr. Kiker has been at the hospital two weeks, and his condition became suddenly worse last week. His children are there at his bedside.

According to news received here by Mrs. Kiker, he is getting along satisfactorily.

## Sgt. I. A. Hicks, Jr. Made Editor of Paper

Sgt. I. A. Hicks, Jr., son of Mr. and Mrs. I. A. Hicks of Brownwood, has just been made editor of the "Camp Robertson News," the official newspaper of Camp Joseph T. Robinson at Little Rock, Arkansas. Up to this time he has served as Sports Editor on the 16-page weekly.

Sgt. Hicks attended West Texas State College here in 1936-37, the University of Colorado at Boulder, and received his degree from Howard Payne College in 1939, where his father is teacher in the department of Business Administration.

### STORK SPECIAL

A son was born to Lt. and Mrs. L. G. Penick Tuesday. Mrs. Penick lives at Phillips and Lt. Penick is in Australia where he is in service with the Air Corps. He is a son of Mr. and Mrs. E. C. Penick of Canyon.

# More Sugar for Canning

## New Rule Will Give More Sugar

### Two Days Per Month Is Given to South Amarillo To Get Canning Sugar

Canning sugar in the future will be issued according to actual canning done by a family unit, its present supply and its reasonable needs, according to information received by Chairman W. J. Wooten, chairman of the War Price and Rationing Board.

"There has been a lot of confusion among some householders on this point because boards in some counties have been more strict than others," stated Mr. Wooten.

State OPA officers have now authorized that canning sugar be increased to one pound of sugar for each four quarts of finished fruit.

"We have to consider each application on an individual basis, in the light of the number of quarts of fruit a family canned last year, how much it has on hand now, and the amount of fruit available to it this year which it expects to can. The size of a family is another factor," states Mr. Wooten.

"We realize that the canning

sugar regulation imposes a great responsibility to administer. It is flexible. We must administer the regulation in a manner that will conserve the available fruit supply, and at the same time carry out the objectives of the sugar rationing program," continued Mr. Wooten.

The local board will ask for a strict account of the use of sugar, and its misuse for preserving or for any other purpose besides canning constitutes a violation of federal rationing regulations.

Miss Helen Whiteside, assistant to Clerk T. S. Stevenson, has been going to the Alice Landergerin School in South Amarillo every Monday to issue sugar certificates. Owing to the fact that such a large per cent of the residents have secured their canning certificates Miss Whiteside will make only two trips per month, the second and fourth Mondays. Her next trip will be on July 27.

Mr. and Mrs. G. D. Foster and daughter of Colorado are here to visit at the parental G. G. Foster home. Yesterday was the birthday of Mrs. Foster and the family celebrated the occasion.

Mrs. Pete Cowart, daughter of Mr. and Mrs. Harvey Cash, returned to her home in Paris, Tennessee after visiting here for three weeks.

Gene will not be back in time to ask you for your vote, but his friends ask you for him.

# Amarillo Unit of W. T. Will Be Opened in the Fall

## New "Center" Well Planned

Advanced Training in Business, Governmental Subjects to Be Offered

An "Amarillo Center," made possible by the recent gift of the four-floor \$100,000 Allen Early residence at 2101 Harrison, will be launched by West Texas State in mid-September under a plan which will extend many of the facilities of the institution to the nearby city.

Development of this new unit will depend much upon the demand for courses on the upper undergraduate levels and in the graduate, or research field.

In the beginning there will be these main divisions at the Center:

1. Advanced training in business and public administration including courses for secretaries, business men, salesmen, accountants, and citizens generally who wish to keep abreast of today's changing world.

Johnson to Direct

These advanced courses will include work leading to careers in

government and diplomatic services, administrative positions in industry, and advancement in such fields as salesmanship and bookkeeping. They may be taken with or without college credit. Development of this division of the Center will be guided by Dr. Lee Johnson, head of the department of business administration, and Dr. S. H. Condon, head of the department of government. Half a dozen instructors are available and others will be employed if needed.

2. Graduate work in English, Education, and History. General supervision of this will be in charge of Dr. A. M. Meyer, new dean of the Graduate Division under the College's reorganization plan.

In the field of English, graduate courses will be directed by Dr. B. P. Fronabarger, head of the department. Dr. R. P. Jarrett, dean of the College, will supervise graduate work in Education, which especially concerns teachers of Amarillo public schools. Dr. L. F. Sheffy, head of the department of history, will direct offerings in this subject.

Nursery School Provided

A first class nursery school, together with instruction in home economics.

The nursery school will be super-

vised by the department of home economics, headed by Miss Margaret Barrett, who has had special training in this field. A specialist will be employed to direct the nursery school. Adults, as well as children, will be taught.

4. Miscellaneous subjects, according to demand.

Classes formerly taught as extension courses will henceforth be operated on a full residence basis, with standard college credit, meeting two or more times each week. Subjects such as guidance, history of the great plains, the family, and other popular topics will be available if the demand is sufficient.

Many Other Services

5. Miscellaneous public services. These will include lectures, exhibits, musical programs, and educational motion pictures. Ex-students will make much use of the Center in their activities. Some small social gatherings will be held. Executives of the College will have office hours for interviews on Amarillo or regional problems.

Wartime conditions will govern some developments, but problems incident to opening of the Center already are requiring much of the time of Dr. J. A. Hill and his staff. A detailed list of offerings will be available soon. Dr. Hill is highly enthusiastic about the possibilities for extending the services of the institution to a larger number of patrons and for making its influence felt in the fields of business and government.

Building Well Sited

The Early building, one of Amarillo's best constructed and largest residences, is ideally suited to these uses. Its facilities include a large basement, large kitchen, an auditorium which will seat more than one hundred persons, and many large rooms. There is playground space, including a tennis court. The structure will be furnished and equipped for the opening of the Center in September. The fall term of the College will open at Canyon on September 22.

Mr. and Mrs. Early will vacate the property this month. Their gift to the College, which was accepted by the Board of Regents in a special meeting, was made on the condition that the property will be used for educational purposes.

GENTLE PERSUASION

He was a man of peace, and when he came upon two youths fighting in a back street he pushed through the crowd and persuaded the combatants to desist.

"Let me beg you, my good fellows," he said, "to settle your dispute by arbitration. Each of you choose half-a-dozen friends to arbitrate."

Having seen the twelve arbitrators selected to the satisfaction of both sides, the man of peace went on his way.

Half an hour later he returned, and was horrified to find the whole street fighting.

"Good gracious, what's the matter now?" he asked.

"Sure, sorr," was the reply, "the arbitrators are at work."

The deepest canyon in Texas is the Santa Elena Canyon on the Rio Grande. Its walls have a maximum height of about 1,800 feet.

It takes a lot more than looking down on others to place you above them.

## Union Services of Three Churches to Start on Sunday

REV. A. M. DORSETT

A series of Sunday night union services of the Methodist, Presbyterian and Christian Churches will be held during the summer.

The first union service will be held next Sunday night at 8:30 o'clock at the Methodist Church. Rev. A. M. Dorsett, pastor of the Presbyterian Church will preach the sermon. Members of all churches are invited to this series of meetings.

Services will rotate among the three churches, with the local pastors preaching the Sunday night sermons.

## Pleasantview

Mr. and Mrs. Jim Spencer and Helen took Mrs. Spencer's brother, Mac McDonald, to Pleasantview Sunday.

Roland Gene Burtz who has been ill for some time was taken to the hospital Saturday where he will undergo an operation as soon as he improves some.

Carol Dooley, who is stationed with the Coast Guard at Ft. Pierce, Fla., came home Tuesday to visit in the parental Milton Dooley home. He was on a ten-day furlough and returned to Florida Monday.

Buford and Vern Cummins went to Dumas on business Sunday.

Fawn Rogers spent Sunday visiting with Opal Wall.

Mr. and Mrs. A. B. Haynes visited in the T. M. Moore home Sunday.

Aaron Cummins' father from Hollis, Okla., has been visiting him this week.

Word has been received from Erwin Meyer, who is in the Air Corps at Randolph Field, that he is sick with the mumps.

Mr. and Mrs. Milton Dooley and family visited in the Joe Crowley home Sunday evening.

The examination of the witness had been long, and attorney, witness and judge were all tired. "And about how far is it between these two towns?" the attorney asked.

"About six miles as the flow cries," replied the witness.

"You mean as the cry flows, I suppose," interjected the attorney.

"No, no," interrupted the judge. "He means as the fly crows."

A man of many trades begs his bread on Sunday.—Scotch Proverb.

## This Scarecrow Works

Buzzards which sweep over her scarecrow with a hungry look in their eyes are the only birds that aren't scared by Jane Frazee's scarecrow. The Hitler scarecrow keeps birds away from her victory garden.

**E. C. Nelson**

Judge E. C. Nelson is a candidate for Chief Justice of the Court of Civil Appeals. This is one of the highest judicial offices in our State, one that demands the most thorough training and the widest possible experience. Judge Nelson has attended and graduated from the leading universities and law schools in our country, giving him an educational background of the highest order.

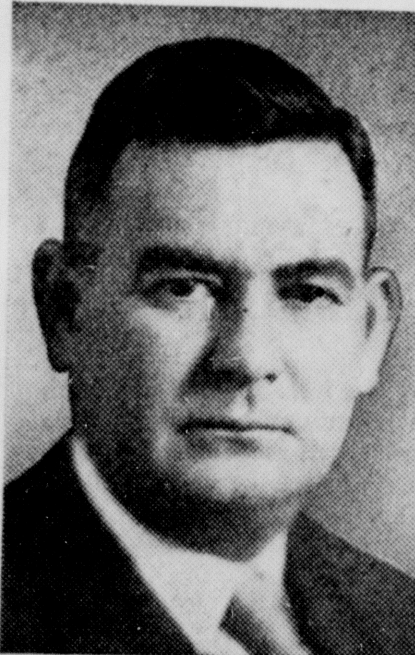

He taught school for five years before entering the legal profession, and served two years in the United States Army during World War I, fourteen months of his service being in France.

He has had a well-rounded legal experience. He has been a licensed attorney for more than 22 years. He has practiced law in all of our courts and has been judge of all courts of record up to the Court of Civil Appeals. As an appellate judge, he will be able from his own experience, to review a case from the standpoint of both the practicing lawyer and the trial judge. He is now District Judge of the district composed of Potter, Randall, and Armstrong Counties, and his record as a trial judge is one of the best in the State.

Judge Nelson is 51 years old, just the right age to undertake the work of an appellate judge. He is old enough for maturity, experience and judgment, and young enough for the years of hard work the position requires.

The size of the district has made it impossible for him to see all the people, but he solicits the vote and influence of all our citizens.

(Political Adv.)

## Battle Ballad Will Be Sung

Chorus and Orchestra To Present "The Revenge" At Assembly, July 23

C. Villiers Stanford's brilliant battle ballad, "The Revenge," will be presented by West Texas State's summer chorus and orchestra on the evening of Thursday, July 23. Prof. Wallace R. Clark, head of the department of music, will direct the production.

"The Revenge" is considered one of Stanford's greatest works. It is a sturdy ballad of the fleet based on Tennyson's famous poem. There are no solo parts. Certain passages call for all the resources of the chorus and orchestra.

The little Revenge, commanded by Sir Richard Grenville, tackled the Spanish fleet and fought until ship and crew were cut to pieces and Sir Richard died "with a joyful spirit" as his crew surrendered. But a storm soon scattered the Spaniards' ships and the Revenge and her crew went down under the mountainous waves.

The program will open at 8:30 p. m. This will constitute the assembly for the final week of the first term. The production is relatively short, lasting about 40 minutes.

## Life of Judge Aynesworth, by Wife, Presented

The life and writings of Joseph H. Aynesworth, as arranged by Mrs. Aynesworth, have been presented to the Panhandle-Plains Museum for its library files. The late Judge Aynesworth was a prominent member of the Panhandle-Plains Historical Society and contributed many articles to the Historical Review. This book was published by the Childress County News in May of this year.

Judge Aynesworth was born in Williamson County, Texas, on November 11, 1874. He married Miss Alice Timmons in 1895 while he was attending Baylor University. Mr. and Mrs. Aynesworth lived in Graham, Farmer, and Paducah after their marriage, while he taught schools. Mr. Aynesworth practiced law in Paducah and then in Childress. While in Childress he was active in civic, educational and

from persons who have made other contributions to the museum building. We also want to encourage all friends of the museum to secure other boosters and money from other sources for this campaign.

The museum building's main unit now stands as a two-story concrete and steel structure ready for brick, rock, windows, doors and roof. Piled about the grounds are thousands of neatly stacked bricks, the gifts of Panhandle school children and the necessary sand for the building. A state appropriation which was in half of the estimated need, an increase in cost of materials by 30 per cent or more and the war, which cut short materials and labor slowed the WPA work and completion of the building.

Voluntary contributions are asked to be called for or mailed to committee members or the historical society directors as early as possible, because it is believed that quick action is essential if the WPA work and material grant is to be salvaged and the building put into condition to be used. The work will also prevent the structure, materials and the work from deteriorating.

In some of the modern steps, the dancers exercise everything but discretion.

"When will Hitler come to his senses?" asks a columnist. What senses?

## 300 Randall County Boys Are Fighting For You and For Me!

July 17th is a day set aside for National Recognition of the millions of Heroes who are in our armed forces. These men are facing a bitter, relentless enemy . . . an enemy who must be destroyed, or who will destroy us.

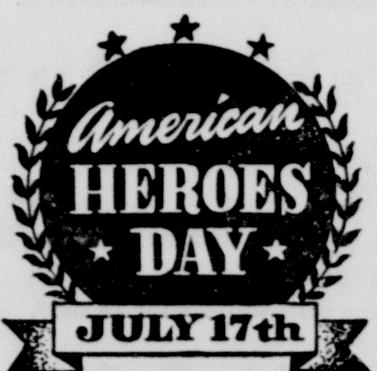

Those of us who stay at home sometimes feel helpless in this mighty struggle . . . wondering what we can do to help. We cannot fire a gun, or drive a truck, or fly an airplane, or drop a bomb on Tokyo, or face the enemy in a tank, or steer a ship, or do any of those hard, dangerous jobs of the war.

But we can—and we must—furnish the money necessary to buy those munitions which are needed to carry on this war. While we buy bonds for the present, we are likewise hedging against inflation after the war, and are providing ourselves with securities in the future when these bonds become due. This is not selfishness

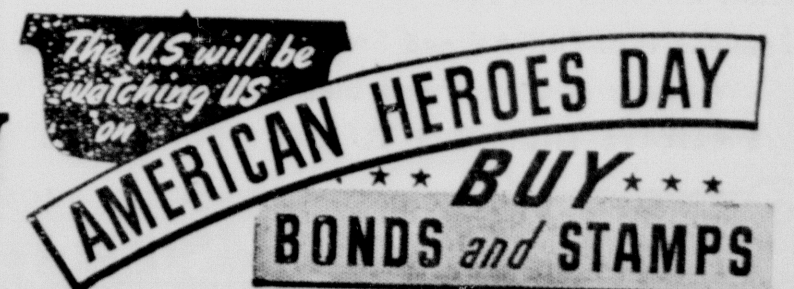

. . . merely good business judgment in a period of great national emergency.

Randall County has furnished approximately 300 young men to the growing fighting forces of the nation. Practically every home has been touched by this drain on our manpower . . . yet we give these young men cheerfully and hopefully that they will return some day to a world freed of tyrants. Unfortunately some of them will not return . . . and others will not return unless we give them the best implements of war ever provided in the world.

Buy War Bonds and Stamps this week. Let Randall county be 100 per cent in our response to this call for loyal support to our government in this time of great need.

## Officials of Randall County

## SOCIETIES CHURCHES ENTERTAINMENTS CLUBS

# Social Events of the Week

### MRS. T. W. LANGSTON IS ROSE WALKER HOSTESS

Ten members were present for the Tuesday afternoon meeting of the Rose Walker Circle which met in the home of Mrs. T. W. Langston. The study for the afternoon was taken from the Baptist Standard.

Mrs. Langston gave the devotional and Mrs. J. C. Dowd and Mrs. Jessie Reid gave prayers.

After a brief business session a social hour followed with the hostess serving ice cream and cookies.

Those present were Mrs. Dowd, Mrs. M. E. Sarge, Mrs. Chas. H. Stratton, Mrs. I. M. Steen, Mrs. E. B. Anthony, Mrs. T. T. Fain, Mrs. W. E. Laughery, Mrs. Reid, Mrs. Emma Dodson, and the hostess.

Next Tuesday all Circles meet at the Church for a Mission study review.

### REBEKAH LODGE INSTALLS NEW OFFICERS FOR YEAR

At a recent meeting of the Canyon Rebekah Lodge, District Deputy President Mary B. Weeks and her staff installed the new officers for the ensuing term.

Officers installed were Noble Grand, Eva Morton; Vice Grand, Novella Stallings; Chaplain, Myrtle Wester; Warden, Georgia Ford; Conductor, Winnie Gibbs; Musician, Mary B. Weeks; Right Support Noble Grand, Bertha Latimer; Left Support Noble Grand, Hattie Brasuel; Right Support Vice Grand, Beulah Anthony; Left Support Vice Grand, Nora Peters; and Inside Guardian, Minnie Laughery.

Formal initiation will be held in the new hall soon. All members are urged to be present. The Rebekah Sewing Circle will meet on July 22.

Mrs. Arline Rose of Williams, Ariz., and Mrs. Lester Smith spent Sunday with Mrs. C. L. Drummond.

Mr. and Mrs. E. W. Johnson of Amarillo spent Sunday with Mr. and Mrs. Joe Jackson.

### MRS. RAY McREYNOLDS IS CLUB HOSTESS WEDNESDAY

The 1925 Club was entertained by Mrs. Ray McReynolds at her home west of Canyon Wednesday afternoon. Summer flowers were used for house decorations.

Bridge was the diversion for the occasion and the hostess served a salad course at the tea hour. Dorothy and Marion, daughters of the hostess assisted in serving.

Guests were Mrs. Joe Black, Mrs. J. L. Duflot, Mrs. Hud Prichard, Mrs. W. H. Smith, Mrs. Geo. Nance, Mrs. T. A. Black, Mrs. R. E. Ball, Mrs. James Cole, Mrs. J. J. Walker and Mrs. J. Madison Daugherty, club members and Mrs. D. M. Foster and Mrs. Guy Harp were invited guests.

### SPECIAL MEETING OF COUNCIL SATURDAY

The Home Demonstration Council will have a called meeting Saturday, July 18, at 3:30 p. m. for the purpose of electing delegates to represent Randall county at the State Home Demonstration meeting which is to be held in Fort Worth, Aug. 18 to 20. Each club is requested to have its candidate present for the election Saturday if possible.

All business of the August meeting of the Council will be transacted in Saturday's meeting and Council will not meet in August.

### MRS. E. D. HARRELL HOSTESS TO LADIES AUXILIARY

The Ladies Auxiliary of the First Presbyterian Church met with Mrs. E. D. Harrell Tuesday for their regular lesson study.

The Orient was discussed by Mrs. Nancy McCaslin and Mrs. A. M. Dorsett. Mrs. McCaslin pointed out the conditions of today and the probable conditions of the future. Similar angles were presented by Mrs. Dorsett in viewing conditions in other parts of the country.

### SOCIAL PIONEERS TO HAVE ANNUAL PICNIC JULY 23

The annual picnic of the Social Pioneers will be held at the J. W. McCrerey home next Thursday evening, July 23, at 7 o'clock. All members are urged to attend.

Charlie Stephenson has entered school at Texas Tech where he will resume his work in the field of agriculture while acting as Laboratory assistant. Stephenson quit school last winter and volunteered in the armed service, but he was given a medical discharge this summer. He is the son of Mrs. Minerva J. Stephenson and a brother of Miss Albessa Stephenson.

Guests here last week in the home of Mrs. W. H. Lewis were her children: Mrs. L. N. Yearout, Mrs. John Yearout, Mr. and Mrs. G. A. Reynolds and family, Mr. and Mrs. Alfred Lewis and Mrs. E. M. Williams all of Albuquerque, N. M.; and Mr. and Mrs. W. P. Lewis of Louisiana. Mr. Lewis entered the U. S. Armed forces last Friday.

Lawrence D. Dye of Goodnight visited the past week end in the Fred Sarge home. He is now stationed at Bethany Beach, Del. where he is a first class seaman with the Coast Guard. He entered service December 8.

Mr. and Mrs. L. F. Bechtold and Nancy Jeannette of Pasadena, Texas, and Mrs. F. E. Weldon of Houston are spending this week with Mrs. E. I. Boyce. Mrs. Weldon is a sister of Mrs. Boyce.

Alvah A. Doak was graduated from the Radio Air Corps at Scott Field, Ill. on June 23. He was transferred to Presque Isle, Maine, for a brief time, but is being stationed with the Ferry Command in California.

Mr. and Mrs. Fairy Hill have returned to their home in Santa Monica, Calif., after visiting at the parental D. S. Hill and J. W. Bourn homes. Fairy is employed in an airplane factory.

Capt. W. E. Lockhart was home from Fort Sill for the week end. His daughter, Mrs. E. W. Pettitt, returned with him after visiting her father and sister, Mrs. Chas. W. Mays at Fort Sill.

Mrs. C. O. Cooper, Miss Hazel Cooper, Neil Cooper, Miss Mary Lee Cooper, and Max D. Allen spent Sunday in Panhandle visiting Mr. and Mrs. O. W. Cannedy.

Mr. and Mrs. N. E. Root accompanied by their granddaughter, Miss Barbara Michael, left Sunday for Sparland, Ill., where they will spend the summer with relatives.

Mr. and Mrs. C. L. Franz of Muleshoe were business callers in Canyon Wednesday. Mr. Franz was on crutches due to a broken limb which he sustained several weeks ago.

Dr. and Mrs. D. A. Shirley and daughter, Miss Louise, returned Tuesday evening from McKinney. Both Mr. Shirley and Louise underwent operations while at McKinney.

Mr. and Mrs. I. M. Wester and Patsy of Carlsbad, N. M., visited in the parental I. W. Wester home last week.

Mrs. Frederick Walker of Amarillo was a guest Tuesday of Mrs. L. T. Barksdale.

### The American's Creed

I believe in the United States of America as:  
A Government of the people,  
By the people, for the people;  
Whose just powers are derived  
From the consent of the governed;  
A democracy in a republic;  
A sovereign Nation of many sovereign states;  
A perfect Union, one and inseparable;  
Established upon these principles  
Of freedom, equality, justice, and humanity  
For which American patriots sacrificed their lives and fortunes.  
I therefore believe it is my duty  
To my country to love it,  
To support its Constitution,  
To obey its Laws,  
To respect its Flag,  
And to defend it against all enemies.  
—William Tyler Page.

### New President In Charge of Rotary Program Tuesday

Marion S. Bishir, new president of the Rotary Club, was in charge of the program at the luncheon Tuesday noon. Mr. Bishir announced committees which will serve during the first 6-months period of the year.

"Our first duty is to win the war," stated the president. "We hate to think that Rotary should ever be banished from America, as it has been banished from Europe by Hitler. But what about Manila? The last Rotary meeting of record in the Philippines was in the seclusion of the swamps," stated Marion.

"All citizens are being forced to reduce and abolish non-essentials in order to do their share in the war program. But service clubs have a part in the war program, and should be encouraged," stated the president. This year should be a fighting year—fighting for America and for the principles for which Rotary stands.

The district conference of the 127th district of Rotary will be held at the Herring Hotel in Amarillo next Tuesday. A number of local Rotary officers will attend.

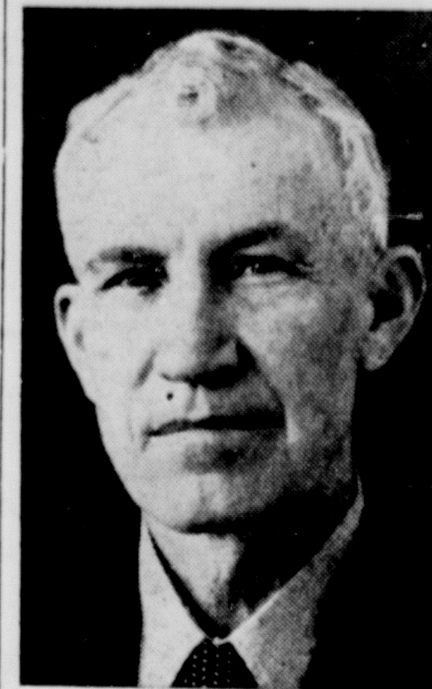

Visitors were: F. R. Barnes, Horace Griggs, R. H. Showalter, all of Amarillo; A. J. Wurzbach of Kansas City.

Lloyd Shackelford, Aviation Mechanist's Mate in the U. S. Navy visited in Canyon Tuesday afternoon. He is stationed at Philadelphia, Pa., and is on an eight-day furlough. He made the trip home by air.

Mrs. S. D. Allen spent last week in O'Donnell on business. Her niece, Ruth Hall, returned with her to enter college.

Sgt. Bud Myers of Camp Blandling, Fla., has been transferred to Dilworth, N. C. for maneuvers.

### Judge A. H. Hunt Asks Re-election

JUDGE A. H. HUNT

To the Citizens of Randall County: As you are aware of my announcement to succeed myself to office of County Judge, I would remind you that I will appreciate your endorsement in the primary, July 25.

I have, during my time served in the office, striven to meet each duty and responsibility in a sensible manner, using the yard stick of need of the public and the protection of the interest of the county.

I feel I am indebted to the voters of the county for the confidence they placed in me which can only be paid by diligence of office. And with me that means faithful service and attention to all business assigned the County Judge.

An official record is like one's reputation, "to be desired," but largely formed by estimate, not facts, and could cover a multitude of short comings. Hence, I am boasting no definite achievements, but believe persistent effort to attain just and fair results will yield fruit, and must reflect credit on worker as upon authority having job done, (which is the people).

The public has been courteous and kind, which is encouraging. The officials of the county are co-operative and helpful, for which I am indeed grateful. I will appreciate your vote as one of approval to my efforts. And as instructions to do my best in the future—Justice to Citizens—Protection to the Interests of the County.

Sincerely,

A. H. HUNT.

County Judge and Ex-officio County Superintendent.

### Johnson Items

Mr. and Mrs. E. J. Bauer and family, Mr. and Mrs. I. L. Bauer and family and Mr. and Mrs. E. B. Harvey spent Sunday fishing near Tulla.

Mr. and Mrs. C. W. Bauer were business callers in Canyon Monday. Mrs. L. F. Spiser and daughters and Carrie Bauer were business callers in Amarillo Thursday.

Business callers in Canyon Tuesday were C. W. Bauer and Leonard and E. J. Bauer.

Mrs. L. F. Spiser and family and J. J. Bauer spent Sunday with Mr. and Mrs. Dudley Smith and daughter near Channing.

Mabel Spiser is spending several weeks with her sister, Mrs. Dudley Smith.

Members of the community spent Saturday in Canyon on business.

Mrs. Lois G. Foster of Ben Franklin has been a guest here in the home of Miss Mattie Foster and her mother during the past two weeks. Mrs. Foster usually comes to Canyon each summer to see about her land interests in the county.

Miss Natalie Flesher has been elected to teach in the Quanah school system. She will teach physical education in the elementary grades.

Dr. Harris M. Cook returned home Sunday after teaching at Texas Technological College for six weeks.

## Col. Thompson in Vital Office

ERNEST O. THOMPSON

"Voters Saturday, July 25, should remember that our Texas Railroad Commission regulates both the oil and the transportation industries; and that these industries, so vital to the winning of the war, are exceedingly important in Texas today!" Thus does Ernest O. Thompson, Railroad Commissioner of Texas for a number of years, and candidate for re-election to the same office, characterize the importance of this work.

Railroad Commissioner Thompson bases his candidacy strictly on his national and state record. He submits that no man in Texas has had wider experience or possesses greater knowledge in the handling of oil and transportation matters. He calls attention, also, to the fact that he is familiar with Panhandle oil and transportation problems due to his long years of residence in Northwest Texas.

## News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of July 19, 1917)

Those who enlisted in the national guard from Canyon were: Jack Jones, Ohmer Hensley, Jay Prichard, Clifford Dooley, E. Edmonds, Jim Vallance, Marcellus Hawkins, John Boone, Jos W. McDade, Clark Pelt, Fred L. Cone.

Dr. S. R. Griffin left Saturday to report to the army for the Medical Corps.

A son was born to Mr. and Mrs. Leo McDade.

Three new normal colleges were located by the regents, assisted by the governor and state superintendent. Nacogdoches, Kingsville and Commerce are the sites selected.

Mr. and Mrs. Levi Coulter of Amarillo visited in the home of Mr. and Mrs. W. G. Shackelford Sunday. Mrs. Coulter is a niece of Mr. Shackelford.

Mrs. R. T. McDaniel, Misses Betty Solomon and Laura Ruth Glynn left Tuesday for a week's vacation in Ruidosa, N. Mex.

Mabrey Vandergriff returned to Camp Blanding, Fla., Thursday after spending a 90-day furlough here with his parents and wife.

Otto Drachenburg of Paris and Miss Ethel Martin and Mrs. Alpha Lee of Plainview, spent the week end with Mr. and Mrs. Ed Williams.

Mrs. R. C. Taylor of Childress is visiting here with her mother, Mrs. Berl E. Mayfield.

# Sugar Substitutes Are Recommended

Sugar is the all-important subject among Canyon and Randall county women who are trying to keep the family sweet-tooth satisfied while at the same time doing on very little sugar. The following facts, taken from the U. S. Department of Agriculture Bulletins and the Texas Extension Service, are timely and helpful to all who are desirous of learning the uses of sugar substitutes in home canning and preserving, as well as everyday cooking.

## Canning Without Sugar

Cane and beet sugar are equally good in sweetening fruit for home canning. Brown sugar is not recommended for this purpose, as it may contain spoilage bacteria or other impurities.

The small amount of sugar ordinarily used is not a necessity to keep canned fruit from spoiling. The sugar serves to help hold a fruit's flavor and color. If there is abundant fruit that might go to waste for want of sugar on hand, some may be canned without sugar, and sweetened later to taste when the fruit is opened, using sugar from the family's current ration.

If fruits are to be canned in sirup, allow up to one-half cup of sugar to make a sirup for a quart jar of fruit. Prepare sirup in advance, to be ready when needed. Sugar may be saved in canning by replacing up to half the sugar called for by an equal quantity of honey. For a thin sirup, use two and one-half cups of sugar and two and one-half cups of honey to one gallon of water. Corn sirup may be replaced up to one-third of the

sugar called for canning.

## Invert Sugar

A Florida experiment station scientist recommends making invert sugar to make it go farther. To do this, mix one cup of sugar and 14 tablespoons of water. Add one-fourth teaspoon of tartaric acid, which you can get at any drug store. Cover this sugar, water and tartaric acid mixture and boil gently for thirty minutes. Allow it to cool. Then you have invert sugar sirup. Each cup is equal in sweetening to a cup of sugar. In other words it is about one and three-fourths times as sweet as the same weight in plain sugar.

## Use of Saccharin

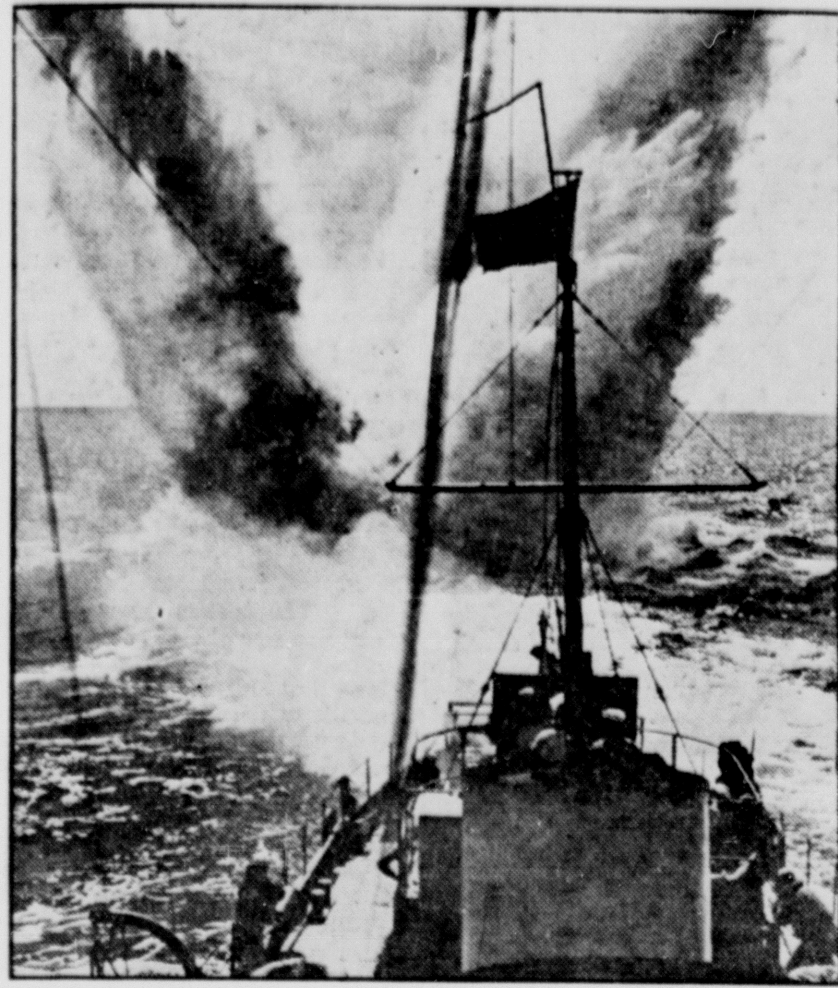

In response to the question regarding the use of saccharin as a substitute for sugar, the following statement was received from J. Overby Smith, Director, Bureau of Food and Drugs of the State Board of Health:

"This Department has always prohibited the use of saccharin as a substitute for sugar, not specifically on the grounds that it is harmful to the human body, but upon the grounds that it is a fraud, in view of the fact that saccharin has no food value whatsoever. However, I do know that saccharin is a coal tar derivative and most physicians will tell you that any coal tar derivative is harmful unless used according to a doctor's prescription."

The Encyclopedia Britannica states that saccharin decreases the appetite, gastric secretion, peptic digestion and intestinal absorption.

Saccharin is not satisfactory to sweeten food or to be used in can-

## Unlucky 'V' for Subs

This unusual photo was made when a Coast Guard patrol boat, answering the call of a stricken ship on the Atlantic, dropped depth charges. Any sub still lurking in the vicinity would suffer.

ning for the above reasons. The large amount needed in canning would give a bitter taste due to the fact it is 530 times as sweet as sugar.

## Fairview Breezes

Mr. and Mrs. T. H. Shipman and Mr. and Mrs. Hollis Shipman were called to Lubbock Friday night by the death of T. H. Shipman's brother. We sympathize with the bereaved.

Harvest is a thing of the past in this vicinity with moderately good yields.

Mr. and Mrs. Woods and son visited in the McClain home Sunday.

Those visiting the J. W. Wesleys Sunday were Mr. and Mrs. G. E. Wesley, Loveta, Marie, Florence, and Myrtle Evans, Mr. and Mrs. Hollis Shipman, Jerry, Nan Earley and Donald Jean, Mr. and Mrs. S. F. Sharpes, Etta Jean and Troy Wayne.

Mr. and Mrs. J. W. Wesley went to Amarillo Saturday. Arlen Ray returned with them to spend the summer.

We enjoyed the message rendered by Rev. Lloyd Garrison Sunday afternoon.

## Pierce News

Harvest is just about completed over the community with averages running from 8 to 20 bushels per acre.

A fire in the John Williams' field last week burned only an acre of wheat but several acres of stubble. The fire was in the night and only the wind in the right direction saved a large acreage of wheat.

Visitors at the John Boling home Sunday were: Mr. and Mrs. A. H. Bachman and Nancy of Amarillo, Mr. and Mrs. Elmer Womble, Janelle and Sharon, Zane and Dick Axe, Haroldine Moore, and E. W. Womble.

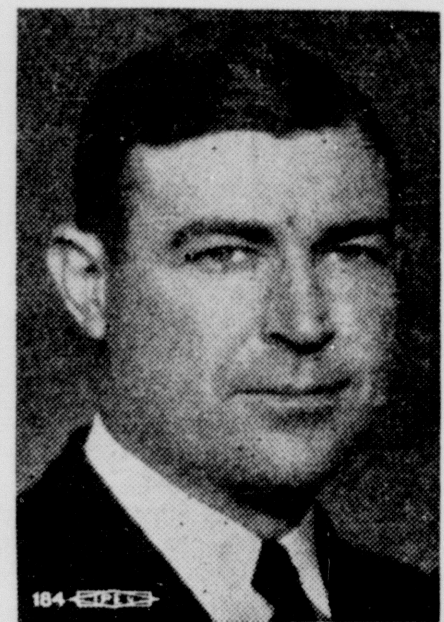

Mrs. Elmer Womble and girls and Helen Holly of Amarillo visited Mrs. O. J. Grabbe Sunday.

Mr. and Mrs. Sam McCraw and Mr. and Mrs. O. J. Grabbe were in Amarillo on business Saturday.

## ALL DAY SINGING SUNDAY

The annual Randall County Sing Song Band will meet July 19 at Fairview for an all day singing. Lunch will be served at noon. Everyone is cordially invited to attend.

G. E. Wesley, President.

CANDIDATE FOR RE-ELECTION

## County and District Clerk

It has been impossible for me to see every one in Randall County due to so many added Defense jobs having been given to myself and to this office, which makes it necessary for me to stay close to call. I am sorry that I may not be able to see some of you, but we all have a job to do and I consider it a privilege to do the little that I can during these times.

Since assuming the duties and responsibilities of County and District Clerk, it has been my constant endeavor to give the people of Randall County a clean, constructive and efficient administration, and if you have had business dealings with this office you will bear out this statement as true. I have made every effort to preserve the Records of this office by reworking all Index Records from the time when we were in Jack County to the present. Also, I have set up a filing system for Chattel Mortgages that took several months to complete, together with all other corrections necessary to make the Records of this office second to none. All of this has been done with the consent of the Governing body, and at little expense to the Tax Payers of our County.

I hope you will take this as a personal solicitation and I am counting on your support and active help in this campaign. Anything you can do in my behalf will be highly appreciated, and I will try to merit your confidence and good will by continuing to give prompt, efficient and courteous service to you and to your records, if re-elected.

# A. B. Holt

# FARMERS!

Let us handle your **BARLEY, OATS, WHEAT and RYE**. Top prices at all times. We will do our best to find Government Storage for your wheat if you do not have storage on your farm.

## BONDED FOR YOUR PROTECTION

We are open the year around for your convenience and are ready to serve you at all times.

We do not permit the rush of harvest to interfere with our regular lines of **DAIRY AND POULTRY FEEDS**. Let us serve you at all times.

## Anti-Aircraft Agriculturists

Reduction in the number of Nazi raids on England has given crew members of anti-aircraft units time to grow vegetables in an effort to be self-supporting. Here some of them participate in the "More Food" campaign by hoeing and weeding peas, beans and carrots on their gun sites.

## Replica of Print Shop Is Donated By Amarillo Man

A miniature printing plant was presented to the Panhandle-Plains Museum recently by H. B. Martin of Amarillo, pioneer printer. The donation was added to his collection of printing materials.

Mr. Martin has reproduced the plant he operated in the 1880's. All the parts are made to scale and are moveable. Among the pieces are a miniature press, mat making machine, type setting desk, paper cutter, and proof table. The original press was used for the Coleman City Daily Voice in 1881, the Jones County Voice in 1886-87 and the Taskell Free Press in 1888.

Mr. Martin also donated the old

## NOT WARNED

Jones was sitting with his wife behind a palm on a hotel veranda late one night when a young man and a girl came and sat down on a bench near them. The young man began to tell the girl how pretty and good and lovable he thought she was.

Hidden behind the palm, Mrs. Jones whispered to her husband: "Oh, John, he doesn't know we're here and he's going to propose."

## Whistle and warn him.

"What for?" said Jones. "Nobody whistled to warn me."

Our faith in straw polls will not be renewed until we are convinced that public opinion can stand still long enough to be counted accurately.

The man who referred to his wife as a human dynamo meant that everything she had on was charged.

**Henry S. Bishop**

# "The Mission Had Been Accomplished"

"A running fight between the bomber and the 18 Japanese pursuit planes continued for 75 miles . . . continued until the remaining pursuit ships exhausted their ammunition and turned back. With two engines gone and the plane practically out of control, the American bomber returned to its base after dark and made an emergency landing. THE MISSION HAD BEEN ACCOMPLISHED."

—President Roosevelt, in his Fireside Chat, April 28, 1942

THERE, in the words of President Roosevelt, is one of the war's most stirring episodes—a demonstration of how, with one man killed, another man's hand shot off, and a third man injured, our American boys stuck to the fight, bombed their objective, and brought their plane home.

Undoubtedly you felt a thrill when you heard it over the air, and maybe you'll have another thrill reading it again.

But your thrills won't win the war!

It takes planes—thousands of them—and tanks—thousands of them—and shells—millions of them—and bullets—billions of them! It needs ships and guns and jeeps . . .

It takes money.

It takes the money of all of us—the girls at their typewriters, the men at their machines—the clerks, the farmers, the messengers, the bookkeepers and the salesmen.

It needs a surging, patriotic Nation of people who love their country enough to buy a share of America by investing 10% of their wages every payday—a dime from every dollar—in War Bonds.

It needs—and it's getting it!—the cooperation of Labor and Management to put the Payroll Savings Plan over the top.

Your money in War Bonds—10% of your salary every payday—not only will help pay the bill to create the most powerful blasting force ever put together—but you'll do yourself and your family a favor, too.

Because every time your savings amount to \$18.75, you'll get a War Bond—worth \$25 in ten years.

You don't give your money—you invest it, both for Victory, and for your own personal security.

That's your mission—will you accomplish it?

**EVERYBODY—EVERY PAYDAY 10% IN WAR BONDS**

# The American Eagle Has Gone To WAR...

## Canyon Helping Uncle Sam . . . .

In spite of screaming headlines and rumors about rising prices, you can check your cost-of-living fears for the duration! From now on, until this war is won, practically everything you buy in Canyon will be priced the same as it was last March. Some things will even be priced lower.

Canyon merchants are glad and proud to follow Uncle Sam's price ceiling regulations. And that doesn't mean that they'll sacrifice quality to keep their prices at a certain level.

This year, as in years past, you can depend on Canyon merchants for merchandise of good, dependable quality from the best resources they know.

They pledge their unfailing effort to make available to Canyon and Randall county families the things they want and need to live comfortably and healthfully, in war as in peace time.

## Welcome To New Comers

Canyon welcomes the new War Workers who are now making Canyon their home, and invite you to take advantage of the many opportunities offered to residents of Canyon.

You can do this by shopping Canyon stores, where a wide variety of standard merchandise at ceiling prices await your selection. And how much easier it is to shop in Canyon than in a city. You will say that "Canyon merchants are truly on their toes and are more than ready to give you a good deal." And all stores in Canyon would do credit to a much larger town. . . .

You can do this by availing yourself of the opportunities offered in the Canyon Schools, which are excelled

by none. West Texas State College, Canyon Public Schools and the West Texas Demonstration Schools. . . .

You can do this by affiliating with the Church of your choice — Methodist, Baptist, Presbyterian, Christian, Church of Christ, Christian Scientist, Episcopal, Assembly of God and the Catholic. All denominations have beautiful Church Houses that add to the spirit of the worship services. Attend Church somewhere in Canyon every Sunday.

Canyon welcomes you War Workers and New Citizens—to Make Your Homes In Canyon—to Do All Your Shopping in Canyon—to Go to School in Canyon—and to Attend Church in Canyon.

## Canyon Is a Good Place In Which To Live . . . .

"Senator Wilbur O'Daniel Should Not Be Re-Elected"

## Army and Navy Reserves To Take New College CPT Work

Several Instructors Are To Be Used; Board and Lodging Are Furnished

West Texas State's new CPT course, with a quota of five Navy and five Army reservists, is expected to get under way this week.

Eleven persons took the mental test last week, as given by Prof. Mitchell Jones. The papers were graded in Rochester, N. Y.

Teachers in the new course will include J. W. (Ted) Reid, ground instructor; Reeves Donnell, military science; Coach W. A. (Gus) Miller, physical training; John A. Gillis, code; and members of the Amarillo Air Service.

Under the new plan, the College will furnish room, board, and transportation for the flying students and will be reimbursed by the Government.

### HARD BOUNCE

A bricklayer working on top of a high building carelessly dropped a brick which landed on the head of his Negro helper below.

"You-all bettah be careful up dere," the helper shouted up. "You done made me bite mas tongue."

There are two kinds of voters; the ignorant ones and the ones who vote for your candidate.

## Dr. Condron Will Teach at Church Training Center

Dr. S. H. Condron of West Texas State, conference director of education, will teach courses at the Mount Sequoia Methodist training camp near Fayetteville, Ark., for two weeks, beginning late in this month.

Adult leaders from all over the Middlewest, South, and Southwest will gather for intensive training. "How to Teach Adults" will be the subject of one of Dr. Condron's courses. The technique of forum discussion also will be discussed.

Several hundred Methodist students will be enrolled at the school. They will attempt to emphasize the educational values of the church school, particularly the Sunday School. Better teaching and a more varied curriculum for adults will be urged.

Dr. Condron has taught at this school for several years. He will leave here about July 19.

I was born an American; I will live an American; I shall die an American.—Daniel Webster.

## Former Buffalo Athlete Gets Bars in Army

LIEUT. DOYLE BUNCH

Within a year after he was inducted as a raw recruit, big, handsome Doyle Bunch was back in Amarillo, a commissioned officer of the United States Army.

Lieutenant Bunch, who played tackle three seasons, 1937-38-39, for the West Texas Buffaloes, left Amarillo a year ago yesterday as a selectee.

Incidentally, July 11, is another important date in the life of the newly-commissioned officer. He was wed to Miss Betty Jane Golding.

Doyle Bunch, son of Mr. and Mrs. G. S. Bunch of Vernon, made his home in Amarillo while attending college at Canyon. He worked at Buffalo Lake during summer vacations. On June 3 of last year he received his degree and in scarcely more than a month afterward Uncle Sam called him through Potter County's Board No. 2.

From Fort Sill the selectee was sent to Camp Wolters, where Oct. 28 he was made a corporal. Half a year later his commanding officer recommended him to officer training and on April 2 he reported at Benning Ga. Upon completion of the course he was commissioned a second lieutenant.

The young officer has been assigned to the infantry and will report soon for duty at Camp Atterbury, Ind.

## Avent Lair Reports For Ferry Command

Avent Lair, United States Army Air Corps, visited in Canyon over the week end. He left Monday morning for Nashville to commence duty with a ferry command.

Lair's versatile work includes radio operating, mechanics and gunner. His first job is that of radio operator. Under actual com-

### TOO "WORDY?"

Flossie: "You'll never catch me going out to dinner with an editor again."

Girl Friend: "Why? Was he broke?"

Flossie: "I don't know about that, but he put a blue pencil through about half my order."

Help Keep Canyon Clean!

## Officers of New Graduate Club

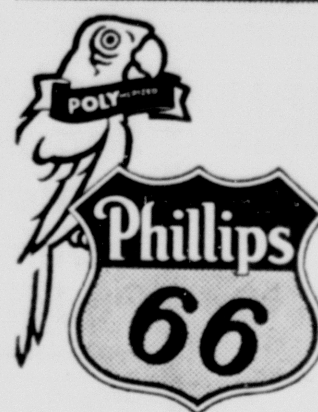

Here are the officers of the newly formed Graduate Club of West Texas State. Left to right, they are O. B. Ginn of Friona, president; Mrs. Dan Sanders of Canyon, vice-president; Lilla Thornburg of Canyon, secretary-treasurer; Mrs. H. H. Jackson of Dalhart, reporter; Virginia Vaughan, historian; and Dr. A. M. Meyer, sponsor.

IT IS OUR SINCERE BELIEF

In the peacetime laboratory, the symbol of research is the test tube. Sooner than we now expect, it may well serve as the symbol of victory.

In search of product betterment, Phillips scientists have engaged in never-ending study and experiment. The benefits have flowed to car-owners in improved fuels and lubricants, at prices which gave ever-increasing value for the money.

Now, the work goes on at an accelerated pace

because every facility, and the know-how painstakingly acquired through the years, are dedicated to winning the war.

Just as certain as peace with victory... is the fact that, when peace comes, Phillips 66 motor fuels and lubricants for your car will be better than ever.

Phill-up with Phillips for Greater Mileage

### OBSERVING RULES

An old Scot was smoking in the waiting room of a railway station. A porter said to him:

"Don't you see that notice on the wall—'No Smoking Allowed'?"

"Yes, I do," said the Scot. "But how can I keep all your rules? There's another one on the wall that says: 'Wear Spirella Corsets.'"

**Eugene Worley Is on Way Home**

CONGRESSMAN WORLEY

Congressman Eugene Worley has cabled friends that he will return to Washington as soon as possible. President Roosevelt has directed that all members of Congress who are in the armed service return to their posts in Washington.

Mr. Worley is a Lieut. Commander in the Navy and is on duty on an airplane carrier. He will not be back in time for the primary and is expected to visit the district for several days before returning to his duties in Washington.

Friends have been carrying on his campaign. The slogan of their campaign is: "Let's make it a landslide for Worley this time."

**War Heroes**

(Continued from page one)

and their loved ones—but above all of these comes the call to duty—the duty of men to fight an enemy who would enslave them and their families and to take away all these bright hopes which they have every right and desire to expect. They shall not be free men until these enemies are conquered.

Every citizen has a duty to perform. This duty is to furnish these splendid young men the fighting equipment with which they shall soon finish this job. These men have not asked other young men to take their places at the battle front. They are there, or are training soon to reach the firing line because they have a supreme duty to perform.

Americans! Randall county citizens! It is our part to furnish the money with which these munitions may be built.

July 17 is American Heroes Day! It is the day to Buy More Bonds and More Stamps.

**Plans Are Made For Democratic Primary July 25**

Plans are complete in Randall county for the first primary election on July 25. It is expected that 2,000 votes will be cast if all qualified voters go to the polls.

Soldiers who paid their poll tax this year are allowed to vote, but the demand for absentee ballots has been very light.

Absentee ballots may be cast up to July 21. Voters who will be out of the county on July 25 may go to the office of County Clerk A. B. Holt to cast their ballots.

There will be only one voting place in Canyon this year. This will be at the Red Cross room on the west side of the square. The room is large and will minimize the confusion which usually prevails at the court house. More voting tables will be available in order that a larger number of voters may be taken care of at one time.

Candidates must file their second expense account on July 17 with the County Clerk.

The following are appointed as judges for the ten voting boxes:

No. 1, D. A. Shirley.  
 No. 2, J. J. Leavitt.  
 No. 3, Ross Craig.  
 No. 4, E. W. Schaeffer.  
 No. 5, Jas. E. Park.  
 No. 6, H. W. Burrell.  
 No. 7, Geo. E. Mason.  
 No. 8, Will P. Janssen.  
 No. 9, H. M. Beverly.  
 No. 14, C. B. Erwin.

Mr. and Mrs. K. E. Frieze, Mrs. M. S. Frieze and Mr. and Mrs. Geo. A. Farlow spent Sunday with Mrs. R. N. Barnett in Lubbock.

Miss Kate Donnell returned Monday from Denver, Colo., where she has been on her vacation.

**W.T. Commencement**  
 (Continued from page one)

this single day, and classes will start on the following day.

The two approaching services will bring to the campus a number of seniors who have either completed their work or will do so at the end of the second term. Graduate students also will return under the same conditions.
